Making Disciples of Jesus Christ for the transformation of the world

Reflection Moments

1. Where in your life are you rushing toward something so much that you may be missing what God is doing along the way?

2. When you look at the world around you and see the things that are not as they should be, where do you find yourself longing for God to intervene? How do you live with that longing when the answers don't come as quickly as you would like?

3. Jesus calls us to stay awake and be watchful. What might it look like for you to slow down, pay attention, and live more intentionally in anticipation of Christ this Advent season?
