In Life School Musical the children learn more than the 3 R's. When Miss Knowsalot's class at Life School begins on this particular Friday, the students have no idea what a special day it is destined to be! Bree, the new kid, and all the other students get the surprise of their life when colorful characters from the Bible materialize on the scene to truly bring their lessons to life.

While all they can think of when class starts is the impending weekend, by the end of this delightful romp they have come face to face with the life-changing power of the Gospel, and they've been handed the "keys to life" by some very special characters.

I pray this message of Faith, Hope and Love, and an everlasting life in Christ will bless you.
