Reflection Moments

1. Have you ever turned a difference of opinion or preference into something more important than it really is? What might you need to let go of?
2. Is there someone who has hurt you with whom you need to pursue reconciliation? What would it look like for you to take the first step?
3. When conflict arises, are you more concerned with proving that you are right or with restoring the relationship? What might Jesus be asking you to do differently?
