Reflection Moments

1. Where in your life have you experienced God's mercy by not receiving the punishment or consequences you deserved?
2. Is there someone you are still keeping a "debt" against because of something they have done to you? What might it look like to extend to that person the mercy you have received from God?
3. What would change in your relationships this week if you stopped keeping score of what others owe you and instead chose to respond with mercy?
