Reflection Moments

1. Where do you see God's grace at work in your life, and how can you become more intentional about recognizing and giving thanks for it?

2. When have you found yourself comparing what you have received with what someone else has received and thinking, "That's not fair"? What might that reveal about how you understand grace?

3. Who in your life might be difficult for you to see receiving God's grace freely? What would it look like to rejoice in God's generosity toward that person?
