Reflection Moments

1. What does it mean to you to bear the image of God, and how might that shape the way you understand who you are and to whom you belong?
2. Of the five ways we promise to support the church through our prayers, presence, gifts, service, and witness, which one comes most naturally to you, and which one might God be calling you to grow in?
3. If someone watched the way you live your life, would they recognize something of Jesus in you? What is one way you could more intentionally let the world see your Father in you?
