Good Morning Family!

Making Disciples of Jesus Christ for the transformation of the world

This happens every month that has a 5th Sunday. The Congregational Care Team provides a variety of soups for our congregation. Come and enjoy food and fellowship immediately after the service in the Family Life Center on November 29

Reflection Moments

1. When you encounter someone who is hungry, lonely, struggling, or in need, what is your first response? Do you see an opportunity to help, an inconvenience, or simply another person who needs someone to care?

2. How often do you think about serving Christ as something you are supposed to do, rather than something that naturally flows out of your faith? What might it look like to serve others without keeping score or expecting recognition?

3. Jesus tells us that when we care for the least among us, we are caring for Him. How might recognizing Christ in the people around you change the way you treat them?
